Product Description

Cordless Venetian Blinds The Perfect Combination Of Style And Function

Product Description:

Venetian Blinds, also known as Aluminum Blinds, are a great choice for window treatments. They come in a range of colors, allowing you to choose the perfect look for your home. They also offer high levels of privacy, with three different privacy levels available – high, medium, and low. Furthermore, Venetian Blinds are customizable in size, so you can find the perfect fit for your windows. With Venetian Blinds, you can also choose from three different types of light control – light filtering, room darkening, and blackout – making them an ideal option for any room. Finally, you can choose from two style options – horizontal and vertical slats, or panel track – to create the perfect look for your home.

Applications:

KEEWO Venetian Window Blinds

KEEWO Venetian Window Blinds are made of aluminum alloy, and offered with a manual or motorized operation to control the light filtering, room darkening, and blackout functions. The blinds are a great choice for both home and office settings, and their cordless option makes them even more stylish and safe.

KEEWO Venetian Window Blinds are manufactured in FOSHAN, and the minimum order quantity starts from 1m². The material used is aluminum alloy and polyester, and you can choose from a wide range of colors. The blinds can effectively control the amount of light entering the room, providing you with the perfect level of privacy and light control.

KEEWO Venetian Window Blinds are a perfect option for both home and office settings. With its aluminum alloy material, motorized and manual operation, room darkening, blackout, and light filtering properties, and cordless option, KEEWO Venetian Window Blinds will provide you with the perfect blend of style and functionality.

Customization:

KEEWO Venetian Window Blinds are high quality aluminum blinds that can be customized to your exact specifications. They come in horizontal, vertical, slat, and panel track styles, and are available in a variety of sizes and colors. Plus, our window blinds can be operated manually or motorized, and are available with a cordless option for added safety. We offer both inside mount and outside mount installation. Our minimum order quantity is 1m², and our place of origin is FOSHAN.

Replacement parts and accessories
Product safety and maintenance tips
Answers to frequently asked questions

We strive to provide excellent customer service and are committed to helping our customers with their purchase. If you have any questions or concerns, please do not hesitate to contact us.

Packing and Shipping:

Venetian Window Blinds Packaging and Shipping

Venetian window blinds are packaged carefully to ensure that they arrive in perfect condition. Depending on the size of the order, the blinds will be either packaged individually or in bulk. All packages will be shrink-wrapped and sealed for extra protection.

Individual Packaging

Individual blinds are placed in a cardboard box and protected by bubble wrap. The box will be labeled with the product name and the size of the blind.

Bulk Packaging

For larger orders, blinds are packaged in bulk. The blinds will be separated by size and placed in larger cardboard boxes. These boxes will be labeled with the product name and the sizes of the blinds.

Shipping

Venetian window blinds are shipped via ground or air. Depending on the size of the order, they may be shipped via a courier service or a freight carrier. All orders are insured and tracked to ensure they arrive safely and on time.
